

UNITED DEMOCRAT SWEEP IS SCORED

All Candidates Supported by Montgomery Group Win Contests.

By JACK ALLEN.
Brushing aside opposition with an impressive display of strength, the United Democratic Organization blazed a triumphant trail across Montgomery County for the 37 candidates it supported in primary contests for congressional, State and local offices.

Complete unofficial returns from 34 of the 35 precincts and fragmentary returns from the 35th revealed today that all but one of those on whom the United Democrats placed their stamp of endorsement finished far ahead of their rivals, and the other candidate managed to win Montgomery from one of its foremost political leaders.

In the senatorial contest the vote was:
Senator Tydings, 9,920.
Representative Lewis, 4,976.
Arthur C. Hungerford, 181.
The vote in the gubernatorial race was:

Mayor Jackson, 8,102.
Herbert R. O'Connor, 4,625.
Lansdale G. Sasser, 1,729.
William S. Gordy, Jr., 466.
For controller: J. Millard Tawes, 9,734; P. Watson Webb, 2,772; Daniel H. Carroll, 1,023. For attorney general: William C. Walsh, 8,696; John B. Gontum, 2,518; Omar D. Crothers, 938; Willis R. Jones, 889. For House of Representatives: William D. Byron, 6,729; Joseph A. Cantel, 6,718.

James A. Young of Allegany County, the other member of the Jackson ticket supported by the United Democrats, carried the county by approximately 3 to 1 over his opponent, Mrs. Elizabeth R. Menefee of Cumberland. Democratic national committee members and a member of the O'Connor slate.

State Senator Stedman Prescott, former leader of the United Democrats, won a clear-cut victory in his race for the nomination for the new associate judgeship in the sixth Maryland judicial circuit, comprising Montgomery and Frederick Counties.

The nomination for State Senator went to Robert Peter, former State's attorney and Senator Prescott's successor as chairman of the United Democratic Organization, and the United's candidates for the other legislative branch, the House of Delegates, also triumphed.

Mr. Peter polled 9,075 votes to 4,709 for State's Attorney James H. Pugh, chairman of the Independents' Campaign Committee, and 677 for Sumner Wood, chairman of the Tax Reduction Committee.

Joseph D. Buscher, James W. Gill, Charles C. Jones, Stanton C. Peell, and Miss Ruth E. Shoemaker, an incumbent, all won nominations for the House of Delegates by large margins. Walter M. Magruder, the only other incumbent in the House contests, trailed far behind. He was endorsed by the Independents.

All five nominations for the Board of County Commissioners, which controls county patronage and Montgomery's administrative functions, also went to the Uniteds. Their candidates were Robert W. Farmer, Clay Plummer, John E. Oxley, Thomas E. Hampton and Odysseus W. Roby. The slate for the State Central Committee, which handles State patronage available in the county, also was victorious, with the winners being Miss Laura Gilliland, Alvie E. Moxley, Anna H. Roach, Lucy Shaw, Roger Shaw and J. Forest Walker.

Ben C. Wilkinson, Jr., of Takoma Park, ran more than 2 to 1 ahead of William Wilder Evans, Independent candidate for State's attorney. Mr. Wilkinson received 9,221 votes to 4,460 for Mr. Evans, a former University of Maryland lacrosse, football and basketball star.

GEORGIANS VOTE ON PURGE ISSUE

Roosevelt vs. George Test Being Decided—10 Seats in House Involved.

By the Associated Press.
ATLANTA, Sept. 14.—Georgians marked their choice today in a bitterly fought Democratic primary widely regarded as a direct and vital test of President Roosevelt's power to remove from the Democratic party a "too conservative" element.

National interest centered on the senatorial race where Senator Walter F. George, veteran of 16 years' experience and chairman of numerous important committee assignments, is opposed by New Dealer Lawrence S. Camp and former Gov. Eugene Talmadge.

Mr. Camp, Federal district attorney by appointment of the President, received direct endorsement from Mr. Roosevelt several weeks ago in a speech at Beaufort, Ga.

Criticism of Out of Step.
The President at the same time declared Senator George to be a conservative out of touch "with the broad objectives of the party and Government," and one who does not "speak the same language" of the New Dealers.

Ex-Gov. Talmadge, Mr. Roosevelt said, would "contribute little to practical government."

A Governor, 10 Representatives, several without opposition, and numerous State and county officials will be designated by today's voting also.

Polls opened at hours fixed by county committees, most of them at 7 a. m. local time (Eastern standard or Central standard). Closing hours were optional, with 3 p. m. established in some precincts and 6 p. m. in others.

State's Attorney Sidney Camp, while Representative Malcolm C. Taver of the seventh had opposition from D. Mitchell Johnson, who said he favored the New Deal.

The fifth district Representative, Robert Ramspeck, was opposed by C. L. Walker, College Park business man. Henry A. Alexander, Atlanta attorney, ran as an Independent in the fifth.

W. C. Lankford, W. Ben Gibbs and the Rev. C. P. Watson sought the seat made vacant by resignation of Representative Braswell Deen of the eighth district.

Ralph Peterson of the first was opposed by T. J. Edwards.

Representative Stephen Pace, Carl Vinson, B. Frank Whitehead and Paul Brown were unopposed.

The county unit system rather than popular vote will decide the senatorial and gubernatorial races. The candidate winning the most popular votes in a given county wins all the unit votes of that county. There are 159 counties and 206 unit votes are required for nomination. If none wins that many, a run-off is provided for the two leading candidates.

FIVE BALLOONS LAND IN RACE; 4 UNREPORTED

Polish Entry in Bennett Air Contest Falls 1,100 Miles From Start—Pilots Unhurt.

By the Associated Press.
BRUSSELS, Sept. 14.—Unofficial reports received here today said five balloons participating in the 26th James Gordon Bennett race had landed. Four were not reported.

The Polish balloon Lopp fell near Troyan, Northern Bulgaria, about 1,100 miles from Liege, where the race started Sunday. The pilots were unhurt.

Others were reported landing as follows: Warzawa, Polish, at Cannelle, Rumania, about 920 miles from Liege. Maurice Mallet, French, at Macoma, Rumania, about 875 miles. Belgica, Belgian, at Szilaj, Rumania, about 850 miles. Wallonie, Belgian, at Pecs, Hungary, about 690 miles.

TROOPS GUARDING CAROLINA VOTES

Gov. Johnston Sends Guard Into Charleston County as Mayor Maybank Leads.

By the Associated Press.
COLUMBIA, S. C., Sept. 14.—Troops guarded ballot boxes in Charleston County, S. C., today after a heated campaign that resulted in Mayor Burnett R. Maybank of Charleston apparently winning the Democratic gubernatorial nomination from Wyndham M. Manning, Sumter County farmer.

Gov. Olin D. Johnston called out the National Guardsmen last night at the request of Mr. Manning, who said he had received reports of voting irregularities in Charleston County.

Meanwhile, unofficial returns from all but 21 of the State's 1,505 precincts gave Manning 147,432; Maybank, 161,172.

New Deal issues were not involved in the run-off primary, which was equivalent to election.

Mayor Maybank answered Mr. Manning's call for troops with the charge that "evidently in some desperate hope that defeat might be avoided in some extraordinary manner, Mr. Manning appealed for the aid of bayonets. The sheriff here was not consulted, nor any other duly constituted civilian authorities."

Mr. Manning said in a public statement: "The result of the election is unknown to me at this time. I have protested the vote in Charleston County upon reports of irregularities there. I ask the public to await the result of this protest."

Shortly after the troops impounded the ballot boxes, Sgt. William Michel of the Sumter Guard detachment was placed under temporary military arrest pending an inquiry into the shooting of W. L. Holliday, a bystander.

Capt. R. E. Johnson said that Sgt. Michel's service pistol discharged accidentally, sending a bullet through Holliday's thigh. Wendell E. Ackerman of Meggett, also nearby, was struck by splinters.

Machine Tactics Charged.
Throughout the campaign Mr. Manning charged that Mayor Maybank headed a powerful political machine in Charleston and that the Mayor sought to inject what he termed "machine politics" in the State government.

Mayor Maybank made a blanket denial of the charges and referred to his chairmanship of the State agency in charge of the P. W. A.-financed \$37,500,000 Santee-Cooper Power & Navigation project. He promised to give the State a "businesslike administration."

The unofficial returns also showed that two members of Congress were defeated. In the third district, Representative John C. Taylor conceded defeat to Butler B. W. A. finished \$37,500,000 Santee-Cooper Power & Navigation project. He promised to give the State a "businesslike administration."

Storks Bring Trouble.
DES MOINES, Iowa (AP)—Storks that were a little tardy five years ago have caused the Board of Education a lot of bother.

The board ruled under-age children entering kindergarten must have semi-annual promotions must be 5 years old on or before October 31.

Immediately came requests for exceptions from parents whose children were born in the early morning hours of November 1, 1933. The board stood firm.

Bicycle Journey For Girls Here Planned Oct. 16

Bicycling—heretofore a hit-or-miss sort of a business usually engaged in on Sunday mornings—has taken on a grimmer complexion, at least for the Government lassies, with the news that the National Capital Parks office of the Interior Department is going to hold a bicycle sweepstakes, with special ladies' sprint race, on Sunday, October 16.

All the young women in Washington who work for Uncle Sam will be eligible. The winner not only will be named "Federal employee cycling champion," but will receive a trophy.

Tentative plans have been made for a preliminary elimination event at the West Potomac Park polo oval on Sunday, October 9.

Entry blanks and detailed information can be obtained from Winfree E. Johnson, National Capital Parks office, room 1211, New Interior Building. Mr. Johnson's telephone number is Republic 1820, branch 2546.

Maryland (Continued From First Page.)

169,847 to 113,367 for Representative David J. Lewis, the Roosevelt-backed candidate.

Gontum Leads Walsh.
Returns from 878 precincts, 471 of them in Baltimore, gave John B. Gontum, Towson attorney, the lead in the race for the Democratic nomination as attorney general. He had 55,226 votes to 44,251 for William C. Walsh of Cumberland; 34,943 for Willis R. Jones of Baltimore, and 24,736 for Omar D. Crothers.

Gontum's total was only one-third of the total votes cast, so that the second-choice votes will decide the nomination.

J. Millard Tawes of Crisfield, candidate for controller on Mayor Jackson's ticket, was in the lead in that race, with 63,351 votes from 878 precincts. P. Watson Webb, Cambridge publisher who ran on the O'Connor ticket, was second with 57,154, while Daniel Carroll of Baltimore County trailed with 23,974. Here again the leading candidate did not have a majority and second choice votes will decide the outcome.

James A. Young, clerk of the Court of Appeals, running for renomination, led a lead over Mrs. Elizabeth Menefee, Maryland's Democratic national committeewoman. Mr. Young, a Cumberland resident running on the Jackson ticket, received 69,282 votes from 878 precincts. Mrs. Menefee, also of Cumberland, but campaigning on the O'Connor slate, received 50,778. There were but two persons in this race, so second-choice voting will not enter into the decision.

INCUMBENTS WIN 2 LOUISIANA RACES

Third Congress Candidate Opposed for Renomination Enters Run-Off.

By the Associated Press.
BATON ROUGE, La., Sept. 14.—Unofficial but fairly complete returns from Tuesday's Democratic primary showed two of the three Louisiana Representatives who were opposed for re-nomination had retained their seats, while the third entered a run-off with a State Representative backed by Lt. Gov. Earl K. Long, brother of the late United States Senator Huey P. Long.

Voters in the sixth district, where the bitterest campaign was waged, rolled up a big margin for Representative J. K. Griffith, Sullid physician, who had the active support of Gov. Richard W. Leche, over two opponents, James K. Morrison, young Hammond attorney, and Jesse H. Blankston.

Race Marked by Shooting.
The race was marked by the shooting of Morrison Friday night following a political rally. Mr. Morrison charged he was shot by a man who jumped on his car and fired three times. One bullet took effect in his arm. Gov. Leche and Griffith charged the shooting was "staged as a cheap publicity stunt."

Two hundred and two precincts of 240 in the sixth district gave Griffith 28,663, Morrison 17,409 and Blankston 1,544.

In the fifth district Newt V. Mills of Monroe, the incumbent, was leading four opponents on returns from 237 of the 252 boxes but his margin was not enough to keep him from entering a runoff with State Representative W. Harvey Todd of Bastrop, who was supported by Lt. Gov. Long.

Representative Brooks Renominated.
The vote: Mills, 15,190; Todd, 12,199; D. Y. Smith, Ouachita Parish Police Juror, 5,309; Joel Dickinson, 3,100, and George W. Smith, Monroe, 486.

Representative T. O'Connor Brooks of Shreveport apparently had won renomination easily in the fourth district. Ninety-one of 191 boxes gave him 9,240 votes to 4,063 for his lone opponent, Frank Colbert of Minden.

United States Senator John H. Overton and Representatives J. O. Fernandez, first district; Paul H. Maloney, second; Robert L. Mouton, third; Rene L. Derouen, seventh, and A. Leonard Allen, eighth, were renominated without opposition.

BONE NOMINATED IN WASHINGTON

Townsendite Is Routed by Senator—All 6 Democratic Representatives Win.

By the Associated Press.
SEATTLE, Sept. 14.—A topheavy majority over a Townsendite candidate gave Senator Homer T. Bone the Democratic senatorial renomination in Washington's primary today. The State's six Democratic Representatives likewise won apparent party endorsement.

Senator Bone overwhelmed Otto A. Case, former State treasurer and liberal pension advocate, who conceded defeat when returns from 1,162 of the State's 2,961 precincts gave him only 17,583 to Senator Bone's 34,049.

Both candidates expressed New Deal sentiments, as did all six Representatives.

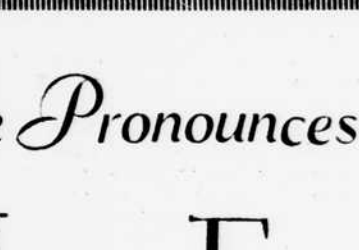

Senator Bone's opponent in the November election apparently will be Edwin D. Colvin, Seattle attorney, who accumulated 38,557 votes in the same precincts to 4,338 for Howard E. Foster and 6,887 for Frank Goodwin.

Leaders ranging from two to one upward were gained by Democratic Representatives—Warren G. Magnuson, first district; M. C. Wallgren, second; Martin F. Smith, third; Knute Hill, fourth, and John M. Coffey, sixth. Representative Charles H. Leavy in the fifth was unopposed.

Close races developed in several Republican congressional contests. Matthew W. Hill, Seattle attorney, in the first district and Willard W. Young, Tacoma, in the sixth, won the Republican nomination unopposed.

War Food Bill Passed.

LONDON, Sept. 14 (AP)—A Reuters British News Agency dispatch yesterday from The Hague, the Netherlands, said a bill had been introduced in Parliament giving the government extraordinary powers to insure adequate food supplies in wartime.
